## INTERNSHIPS

---

<b>Software Developer</b> Ceeras IT Services	February 2025 - June 2025 <i>Remote</i>
---	--

- Developed responsive web interfaces using HTML, CSS, and JavaScript.
- Collaborated on real-time frontend projects in an Agile environment.
- Gained hands-on experience in version control using Git.
- Contributed to UI optimization and user experience improvements.

## PROJECTS

---

<b>Global Trends Analysis with Gapminder Dataset</b>	June 2025
--	-----------

- Analyzed global data (1952–2007) using Python to study GDP, life expectancy, and population trends.
- Performed data wrangling and visualization using Pandas, NumPy, and Seaborn.
- Identified development patterns and generated visual insights.
- Presented findings through interactive visual dashboards for better data interpretation.

<b>Sales and Support Analysis using SQL</b>	June 2025
---	-----------

- Worked with retail data in MySQL Workbench to analyze sales and customer behavior.
- Applied advanced SQL techniques like joins, subqueries, and stored procedures.
- Generated business insights and evaluated agent performance.
- Optimized query performance and enhanced reporting efficiency for data-driven decisions.

## CERTIFICATIONS

---

<b>Deloitte Australia Data Analytics Job Simulation</b> Forage	July 2025
--	-----------

- Analyzed business data using Python and presented insights.

**Python Programming Training** Besant Technologies

January 2023

- Gained hands-on experience in Python basics, control flow, and file handling.

**PL-300: Microsoft Power BI Data Analyst** Cloudthat

July 2022

- Learned data modeling, Power Query, DAX, and dashboard creation in Power BI.

**SQL (Intermediate)** HackerRank ( [Link](#) )

July 2022

- Certified in writing SQL queries involving joins, grouping, and subqueries.

## SKILLS

---

**Computer Languages:** Python, SQL, SQL, Python

**Data Tools:** Power BI, NumPy, Power BI

**Software Packages:** Pandas, Excel, MySQL, Excel

**Soft Skills:** Decision-making, Creativity

**Others:** Spreadsheet, Analytics
